

Domain Deletion Policy

1. Domain reminder notices are sent out via email before a domain expires. Please ensure that your current email address is updated on your domain contact information.
2. One day after the expiry of a domain, the domain is placed on a HOLD status for a period of 28 days. Any website or e-mail address associated with this domain name will no longer work.
3. If the domain is not renewed within the 28 days period, the Registry will delete the domain name which will become available for registration on a "first come first serve" basis.
